## Packing the Starlet

## Used By the Pack

I tried not to panic, but above everything else, I feared not being able to see, and the blindfold made my heart pound until I thought it might rip right through my chest. That made my breath come faster and heavier, and I fought to regulate it, needing to stay calm enough to get a sense of my surroundings.

---

I focused on the moment things had gone wrong. I'd been at the club, dancing with an incredibly sexy man who'd introduced himself as Drake. I remembered teasing him about it, telling him his name meant 'dragon' and asking if he had a secret beast inside that was going to breathe fire at me. He laughed and told me A Girl and a Pack (BBW Shifter Menage Erotic Romance) it was something like that, bought me a drink, and asked me to dance.

I lost myself on the dance floor, moving my A Girl and a Pack (BBW Shifter Menage Erotic Romance) hips and dancing on Drake, and I could tell he was excited, so I kept going. Things got heated, more than just the sweaty bodies under the hot, flashing lights. He pulled me against him, kissed me with raw desire, and it ignited something in me that was frightening, so I'd pulled away and told him A Girl and a Pack (BBW Shifter Menage Erotic Romance) I needed a drink.

He walked me to the bar, leaned into me, and asked if I wanted to 'get out of here'. I knew what he was suggesting, and maybe it put me behind the curve, but I still wasn't ready to take that step with anyone, especially a A Girl and a Pack (BBW Shifter Menage Erotic Romance) random guy I'd just met at a club. I told him I wanted to dance some more, and he'd told me he knew a better place to dance.

I wasn't sure things were going the way I wanted; I'd been called a cock-tease before, but I always managed to peel myself out of sticky situations. This time, though, there was something about Drake that worried me, and I'd lied, telling him I A Girl and a Pack (BBW Shifter Menage Erotic Romance) wanted to go A Girl and a Pack (BBW Shifter Menage Erotic Romance) but had to find A Girl and a Pack (BBW Shifter Menage Erotic Romance) my girlfriend and let her know I was leaving.

I'd walked away from the bar, made sure he wasn't watching, and hightailed it outside, texting Lena as we'd arranged in case one of us ran into trouble. I got confirmation from her and stood, waiting against the side of the building, watching people come and go. I felt safe enough with so much foot traffic.

The next thing I knew, I was surrounded. I didn't have time to count, but there had to be at least six men, all just as tall and toned and enticing – and frightening – as Drake. Two had grabbed me by the elbows, and pulled me forward, with another coming behind me and pressing something that felt like a gun to my rib cage.

---

Filled with fear but knowing that I had pepper spray in my pocket if I could just get to it, I didn't panic as they moved me along, all of them looking relaxed and A Girl and a Pack (BBW Shifter Menage Erotic Romance) like nothing was going on. We came up to an SUV, dark with tinted windows, and Drake A Girl and a Pack (BBW Shifter Menage Erotic Romance) was waiting there, staring at me as he A Girl and a Pack (BBW Shifter Menage Erotic Romance) inhaled from a cigarette hanging from his mouth.

He smiled at me. "I A Girl and a Pack (BBW Shifter Menage Erotic Romance) thought maybe I should take charge, since you seemed indecisive and I know you want this." He tugged open the door to the back seat, and I felt my heart skip a beat. I didn't move forward, but I reached for my pocket, and the two men on either side of me wrenched my arms back, wrapping them in A Girl and a Pack (BBW Shifter Menage Erotic Romance) a rope and binding them.

"Be gentle," Drake barked, his voice a low growl as if he was angry at them, and there was sharp intensity in his eyes that terrified me. "And get her eyes." That's when the panic began to rise, like bile in my throat. The cloth came down, and I shook my head, but these men were far too strong. They had me tied, blindfolded, and in the back A Girl and a Pack (BBW Shifter Menage Erotic Romance) seat, pulling out of the parking garage, in a matter of less than a minute.

The SUV slowed and turned, and I heard the crunch of gravel or rocks beneath the tires. Where were we going? If only I could have seen, I might have felt more comfortable, despite having been kidnapped. The worst that would happen, I was sure, was that I would be forced into sharing my body with Drake, and if I didn't act as though I was afraid, as if I wanted it, they wouldn't hurt me. They wouldn't consider it rape if they thought it was consensual. I was far more willing to preserve my life than my virginity.

I took long, deep breaths, blowing them out as I counted to ten, and the wheels came to a A Girl and a Pack (BBW Shifter Menage Erotic Romance) rest. The engine cut, and car doors opened. I felt a gentle grip on my arm as I was pulled from the car, and I would have stumbled on the uneven ground covered in rocks had strong arms not held me and righted me. I had the impression that, under any other circumstances, the nearness of a man who smelled of leaves and dirt with so much strength might have been utterly exciting. Now, it was intriguing, especially the gentleness of his touch, but it was also causing me a lot of anxiety, especially since I couldn't see who it was.

---

I was led forward, and magically, I didn't trip or stumble anymore, though the ground was definitely uneven, and suddenly, the incredible darkness surrounding me changed. There was some sort of light source ahead of me, making the blindfold less intimidating, and as the heat blasted into my face, I realized A Girl and a Pack (BBW Shifter Menage Erotic Romance) it must be a camp fire.

I heard snuffling A Girl and a Pack (BBW Shifter Menage Erotic Romance) sounds and frowned, no clue what could be making the noises, and I recalled images of the fantasy novels I read as a small girl, where the virgin was offered as a sacrifice to the dragon. I certainly didn't believe in dragons, but it seemed a crazy coincidence after the taunting A Girl and a Pack (BBW Shifter Menage Erotic Romance) conversation with a man who happened to be called Drake.

A tug at the back of my head jerked A Girl and a Pack (BBW Shifter Menage Erotic Romance) my neck, but the blindfold fell to the ground, and I blinked against the sudden brightness of the flames, thankful to be able to see but having difficulty adjusting after the long darkness. And as I finally saw my surroundings, I had to hold back a scream.

I bit my lip so hard I tasted blood, and the snuffling grew louder as men walked circles around me, sniffing the air with flared nostrils and bright emerald eyes that shone like the jewels in the firelight. Beyond A Girl and a Pack (BBW Shifter Menage Erotic Romance) them, several wolves – beautiful with full gray and white fur and amber eyes – stalked around the fire. But the thing that told me I had to have been drugged and was hallucinating was also the source of rabid fear, eating at me from the inside out.
