Affordable Affordable Care: Unaffordable to Millions Care: Unaffordable To Millions

Written 11/30/2014

Part I

My return to Washington State has brought the boob tube back into my life. Thanks to the nearly 5-year hiatus I took from television programming while participating in and learning about legal systems through work as a freelance court reporter, I am now more critical and cynical of

everything I watch, which is all the better.

For example, these past couple years I have noticed the numerous ads for mandated insurance, popularly and misguidedly called 'healthcare'. Pardon me for being obvious, but insurance(1) is not healthcare(2). The two words do not even look the same, nor are they.
