add to Potato's or Macaroni for salads...

Minutes to Prepare: 15

Minutes to Cook: 30

Number of Servings: 12

### **Ingredients**

Hard Boiled Egg, 6 large

Mayonnaise, 4 heaping Tbsp

Yellow Mustard, 1 good squirt (don't forget to shake the bottle first)

Granulated Sugar, 2 tsp

Salt & Black Pepper to taste

Paprika, light sprinkle over top

### **Preparation :**

Boil eggs in water with a little salt,, keeps the shells from cracking and makes it easier to get the shell off.

boil eggs in a medium size pot on medium high heat for about 15 to 20 minutes,, take off the stove, drain water, then run cold water over them for a bit or put in fridge till cold.. that sets the center...

Peel the eggs... I found if *Beginners and College Kids First Cookbook: 14 Basic Recipes plus tips and tricks (Pick a Meal)* you lightly crack the egg all over its easier to peel...

Now for **Deviled Eggs**.. cut the egg in half... carefully scoop the yolk into a different bowl, place the eggs on a plate..

get the bowl with yolks in it and add mayo, mustard, salt , pepper, sugar to your taste and mash altogether so its creamy.

Using a teaspoon...spoon the yolk filling into the eggs on the plate and Lightly sprinkle with Paprika to make it pretty..

OR if you want to make **Egg Salad**for sandwiches or to use in your potato salad *Beginners and College Kids First Cookbook: 14 Basic Recipes plus tips and tricks (Pick a Meal)* or macaroni salad... simply cut the whole egg up into chunks, I cut it like a potato,, add a couple tablespoons of Mayonnaise or Miracle whip, a squirt of mustard, salt, pepper, and a sprinkle of sugar, mix well but *Beginners and College Kids First Cookbook: 14 Basic Recipes plus tips and tricks (Pick a Meal)* be gentle *Beginners and College Kids First Cookbook: 14 Basic Recipes plus tips and tricks (Pick a Meal)* don't mash the *Beginners and College Kids First Cookbook: 14 Basic Recipes plus tips and tricks (Pick a Meal)* eggs.
