Two delightfully dark tales of Gothic romance from Elizabeth Hunter and Grace Draven.

BENEATH A WANING MOON

In A VERY PROPER MONSTER, Josephine Shaw spends long nights filling the pages of her *Beneath a Waning Moon: A Duo of Gothic Romances* Gothic stories with the fantastic and the macabre, unaware that the suitor her father has arranged is one of the dark creatures she's always dreamed. For Tom Dargin, courting an ailing spinster was only one duty in a long life of service to his sire. But after he meets the curious Miss Shaw, will Tom become the seducer or the seduced? Can a love fated to end in tragedy survive a looming grave?

In GASLIGHT HADES, Nathaniel Gordon walks two worlds—that of the living and the dead. Barely human, he's earned the reputation of a Bonekeeper, the scourge of grave robbers. He believes his old life over, until one dreary burial he meets the woman Beneath a Waning Moon: A Duo of Gothic Romances he once loved and almost married. Lenore Kenward stands at her father's grave, begging the protection of the mysterious guardian, not knowing he is her lost love. Resolved to keep his distance, Nathaniel is forced to abandon his plan and accompany Lenore on a journey into the mouth of Hell where sea meets sky, and the abominations that exist beyond its barrier wait to destroy them.

You know who you are

Prologue

Dublin, 1886

My dearest Miss Tetley,

Enclosed you will find the final draft of Viviana Dioli's "The Countess's Dark Lover," a

story within which you will no doubt Beneath a Waning Moon: A Duo of Gothic Romances find numerous additional faults. Signorina Dioli turns an indifferent profile to Beneath a Waning Moon: A Duo of Gothic Romances you, her harsh editor. I'm afraid she simply cannot find it in Beneath a Waning Moon: A Duo of Gothic Romances her cold heart to remove the balcony scene and subsequent mortal fall. Gothic romance, my dear Miss Tetley, so rarely comes to a happy end. And after all, what would be your actions when pursued by the grim monster which Warwick was Beneath a Waning Moon: A Duo of Gothic Romances revealed to be?

As for your other inquiries, rest assured I am Beneath a Waning Moon: A Duo of Gothic Romances no better or worse than when last I wrote. If I am completely honest, Lenore, I seem to be in some terrible stasis. The physicians know I am not so foolish as to hope for a cure, nor am I morbid enough to welcome my inevitable end peacefully. Part of me wishes that the sanatoriums they continue to suggest were possible, but I cannot bear the thought of leaving Father alone, even if I am ill.

So I trudge on, writing my stories, traveling to take the sea air when possible, and worrying about Father. No doubt you've heard of his own failing health. I know he wrote to your dear parents only last week, and I do hope he was frank. He is not well.

I have no worries about his businesses, for he has spent the past few years affixing the most competent men in Beneath a Waning Moon: A Duo of Gothic Romances positions of authority. But my own failing health, combined with his inevitable retirement, means that he does worry about the continuance of his legacy. Shaw mills have employed hundreds, but the boat works are poised to be entirely more impressive than the mills. And you know, for your father has the same honorable bent, how much the well-being of those many men and women weighs on his mind.

Would that I were a healthy son!
