Acknowledgements

I'd like to thank my friends and other contributors for sharing these crazy bar bet tricks & challenges with me, usually at the cost of buying them drinks. But it was worth it!

Thanks also to my uncle Roland who performed the first trick on me that I can remember with his famous, "Got your nose!" trick, betting me he could grab my nose off my face. I can't remember how many times I fell for that as a small child. Nor how many allowances I lost to him because of it. (Just kidding about the allowances).

Last but not least thanks to you the reader for buying a copy of this book. I hope you have as much fun using these bar bets & challenges as I've had both using them and falling for them.

Introduction

What Are Bar Bet Tricks & Challenges?

A Proposition bet is often known as a side bet Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges or a bet made on the outcome Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges of some event and a no-lose bar Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges bet is a form of proposition bet. The difference is this. With a normal proposition bet the outcome is unknown. Either person can win. A no-lose bar bet on the other hand is a fixed bet. The person doing the betting already knows he will win. And in most cases the person receiving the bet knows too but is willing to bet because it's fun to see how the bettor will "pull it off." And it's also fun to learn a new no-lose bar bet. There are two main types of bar bets in this book.

1. The No-Lose Bar Bet*Trick*

This bet is a type of magic trick that's been turned into a bar bet. You place the bet by saying you can do something your friend doesn't think you can do. But because it's magic Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges and you know how to do the trick, you're able to do it and win. Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges Virtually all of these types of bets can also be performed as magic tricks just for entertainment. There are 11 of these tricks in the book and they're marked as Magic.

2. The No-Lose Bar Bet Challenge

This bet is a type of feat that's been turned into a bar bet. Like the magic bar bets, you place the bet by saying you can do something your friend doesn't think you can do. But because there's a secret to performing this feat and you know the secret, you're able to do Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges it and win.

As a rule you always bet on yourself being able to do the feat and Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges not on your friend "not" being able to do the feat. The reason for this is because if you bet your friend *he can't* do the feat and he knows the secret, he'll do it and you'll lose. But if you bet that *you can* do the feat and he is able to do it, he simply won't accept your bet...but you don't *lose*. There are 11 of these challenges in the book and they're marked as Challenge.

In addition to this there are three other interesting types of bets included: 2 regular game bets and 1 game of chance bet.

1. The No-Lose Bar Bet Game

This bet is presented to your friend as a game. You explain the game to your friend and bet Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges him a beer you can win it. On the surface it seems like a fair bet, just like any other game. But there's a secret to winning this game that your friend is not aware of. This makes it a fixed game and a guaranteed win for you. And it's a lot of fun to win over and over to your friend's frustration and your own growing pile of free beers.

2. The No-Lose Bar Bet Game of Chance

This bet is presented to your friend as a game of chance. In the Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges game of chance included in this book you lay Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges out a Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges number of cards face down and bet him he cannot pick up a only a certain type of card. The way things are set up it seems to him the odds are far in *his* favor but in truth the odds are far in *your* favor. This is perhaps the only trick in the book where you can lose Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges because it's not a guaranteed Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges win each time. But because the odds are in your favor, all you need to do is bet again double or nothing and sooner or later you must win. It's like being Betcha A Beer: 25 No-Lose Bar Bet Tricks & Challenges "the house" in Las Vegas. In the

end, the house always wins.
