It's time for our journey to begin...

### Antarctica

Monte was very excited as he was minutes away from getting on the plane and beginning his second adventure. As soon as the boarding announcement for his plane sounded from the overhead speakers, Monte Children's Books: The Adventures of Monte: Monte Travels the World (Picture Book & Story For Ages 3 to 9) quickly jumped out of his seat with excitement, starting his way down the hall, and onto the plane. He thought to himself that this was going to be a long ride, especially since his 20 day trip starts in Antarctica.
