## Preface

“If you come to a fork in the road . . . take it!” A Yogi-ism by Yogi Berra

---

Are you at a crossroads -- a turning point on some matter in your life? Do you have a decision to make that will possibly set the direction of your life far into the future? Wondering which way will be better than the other?

Questions like this are actually beyond our human ability to HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) answer. That's because we don't know the future.

But God does. And He wants HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) to help you with this decision.

The Sacred Scriptures say “. . . And He shall direct your paths.”

I've learned that we need to add a couple HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) of words to our understanding of that verse, namely: “. . . If HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) we ASK Him.” Let me tell you a story and you will see why.

It was my first experience with needing God's guidance regarding a life-changing decision.

I had just been let go from a high level executive position with a large corporate institution in New York. I was 53 years old with a family to support. I had received a very small termination settlement and the money was running out.

I'm sure you believe me when I say “I was asking!”

---

I will tell you the rest of the story in Chapter 4 about what happened to me. I learned fast, first-hand, what it takes to get wisdom when faced with a major decision. That experience has stood the test of time and has benefitted me many times as I again needed to seek God's guidance (although not in any such severe circumstance as that).

That is what this *Quick Guide* is about. It will present you with seven simple steps to getting God's view of your alternatives and how each HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) fits or not fits with the eternal destiny God HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) had in mind for you when He created you.

Then, knowing that, choosing which path to take at the crossroad will be obvious and safe! Let's get started.

## Chapter 1: A Quick Overview . . .

First, let us take a fast look at what we are going to be talking about here, so as you go along you will know how the pieces fit together.

The first thing we will look at is your heart attitude towards God. Readers of this Guide will be coming from many perspectives and life experiences. That's to be expected and HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) is OK. But right HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) at the outset I want you to be aware of the true nature of God so you can HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) trust him and really believe that he wants to help you (because He does and I will show you why).

Then you will be taken through seven steps. None of them are difficult. They will require some

action on your part, besides praying.

In the final step, you will reflect on what God has shown you and make your decision.

I personally have found that the process I am going to show you will be the safest way to make decisions. Our minds are bombarded with thoughts, ideas, and desires. Any one of them can deceive us and we may make a decision HEY GOD! What Should I do? 7 Steps To Determining God's Will In Your Decisions (Hey God Series Book 1) based on the wrong reasons. Then the result may be less than satisfactory, or even disastrous.

So, relax and have some fun as we embark on this journey. Go forward knowing that God is guiding you.
