introduction

### **Who am I?**

Hi, my name is Bob Martin. I'm an American, but I have been living permanently in the Philippines since May of 2000. I moved to the Philippines at the relatively young age of 38.

I own How to Move to the Philippines Manual and operate a number of websites, almost all of

---

them are related to life in the Philippines, or something about the Philippines. I have websites about living in the Philippines, Philippine dual citizenship, how to get Philippine citizenship, travel in the Philippines, hotels in the Philippines, food in the Philippines, How to Move to the Philippines Manual making a living in the Philippines, just about anything you can imagine that's related to the Philippines.

### **Why am I qualified to answer?**

Because of all my experience working on Philippine issues, I have gained a lot of knowledge How to Move to the Philippines Manual in this area. It is because of that, which I have decided to come out with a series of e-books regarding How to Move to the Philippines Manual these issues. I am entitling this series of e-books as the Philippines Q&A series. I suspect that in the entire series there will be around 50 different e-books, each of them answering important questions that people have regarding life in the Philippines.

How do I know which questions are important? Well, you see, because of all these websites I literally get hundreds of e-mails every day. A large majority of these e-mails contain questions that people are asking on this subject. I know which How to Move to the Philippines Manual questions are important by looking at which questions are the most often asked. Over the years, I have saved all of these questions, and I literally have a collection of many thousands of such e-mail questions. By looking through these questions, I have found that there are around How to Move to the Philippines Manual 50 different questions that are asked over and over again.

It is my belief that if many people have already asked me these 50 basic questions, there are thousands of other people who have the same questions on their mind, but just haven't asked yet.

## How to reach me

If you have other questions for which I don't have How to Move to the Philippines Manual a book, please feel free to send me an e-mail and ask! You can reach me via e-mail at [rmartin@mindanao.com](mailto:rmartin@mindanao.com). I've been using the same e-mail address for over 20 years now, so you can be sure that you'll reach me there at any time in the future too.

So, that tells you a little bit about who I am, and why How to Move to the Philippines Manual I'm qualified to answer your questions about the Philippines. So, with that information in hand, let's get on with the question that this e-book will address.

# 1 - HOW TO MOVE TO THE PHILIPPINES

Moving to the Philippines How to Move to the Philippines Manual is not something to take lightly. It is not all pleasure, there are challenges that you will face, I can assure you. How do I know? Well, I moved from the USA to the Philippines in 2000, so I have experience. I have been living full time in the Philippines ever since, and to be honest, in those years I have never been back to the USA.

A lot of people whom you run across online will say that the Philippines is paradise. It's a panacea. It's perfect. There are no problems in the Philippines. Nothing could be further from

the truth. There are problems and issues in the Philippines just like every other country in the world. Some would argue that there are How to Move to the Philippines Manual more problems and issues to deal with How to Move to the Philippines Manual in the Philippines than most other places. I could not argue too much with what they say. But, what I will say is that there are ways to overcome those problems through the process of adjustment that you must go through when you move to the Philippines. It is not easy, and it is not quick, but you can do it.
