FORWARD

“For my thoughts are not your thoughts, neither are your ways my ways, said the I did it "His Way" LORD. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.” (Isaiah 55:8-9)

This book is a composition of memories and short testimonies by Ms. I did it "His Way" I did it "His Way" Elizabeth Das who has dedicated herself to the ministry of evangelizing and teaching the Word of the Lord. Seeking “His way” through determination and the Power of prayer, Ms. Das will take you on I did it "His Way" a personal journey through her own life changing experiences. I did it "His Way" Bornand raised in India, Ms. Das worshiped regularly at the family alter. She was not satisfied with religion as her heart told her that there had to be more to God. She frequently visited churches and joined religious organizations but was never fully satisfied.

One day she set out to find truth in a distant country far from her native home, India. Her journey begins in Ahmadabad, India where she had a profound desire to find the One True God. Due to the liberties in America at the time and away from the religious cultures and traditions of her homeland, in 1980 Ms. Das traveled to America with the purpose of finding the I did it "His Way" truth of this Living God. Not that you cannot find God anywhere but America, because

God is all present and omnipotent. This, however, was where the Lord took Ms. Das I did it "His Way" as this book will explain the road to her salvation and of her profound love for the lover of her soul.

"Ask and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. For every one that asketh receiveth; and he that seeketh findeth; and to him I did it "His Way" that knocketh it

shall be opened." (Matthew 7:7-8)

I have personally known Ms. Das for close to thirty years since she first entered a small church that I attended in Southern California. The love for her homeland and the people of India is an urgency-felt ministry for Ms. Das who has a deep desire for winning souls of all cultures and backgrounds to the Lord.

"The fruit of the righteous I did it "His Way" is a tree of life; and he that winneth souls is wise. (Proverbs 11:30)

Ms. Das actively works I did it "His Way" spreading the Word of God from her home based office in Wylie, Texas. You I did it "His Way" may visit her website I did it "His Way" at www.gujubible.org where you can obtain Bible Studies translated from the English language to Gujarati. You can also find locations to churches in India. Pastors of these churches share the same love for the truth as Ms. Das. She networks with apostolic faith ministers within the United States and abroad for the purpose of acquiring guest speakers for the Annual Conferences that are held in India. Ms. Das' ministry and work in India are well known. They include the fruition of a pastoral Apostolic Bible College in India, an orphanage, and day care centers. From America, Ms. Das has assisted with the establishment of churches in India where many have come to know the Lord Jesus Christ. She is a woman of great faith, steady and unflinching in prayer. These accomplishments have been attained while totally dependent on God for everything and while living on disability. Her meager financial support is a testament of her strong will and determination that is greater than her means. Ms. Das will say with assurance, *"God always provides and takes care of me."* Yes, somehow He does and exceeds her needs abundantly!

Busy doing the Lord's work from dawn to dusk, Ms. Das is always ready to pray with me or anyone who is in need of help. I did it "His Way" God is always the answer. She stands between that gap, instant in profound prayer, with authority and intercession. God does take care of Ms. Das because she has a love for evangelizing. She listens to His voice and will not go against "His Ways." Obedience is greater than sacrifice, obedience with a passion to please God. This is the appointed time for writing this book. God is the "Great Strategist." His ways are perfect and meticulous. Things and situations do not happen before their appointed time. Pray for direction in hearing the mind and feeling the heart of God through the Holy Spirit. This book will continue to be written in the heart of the lives of men and women that she has influenced through His ways.

Chapter 1

THE BEGINNING: IN SEARCH FOR THE SPIRIT OF TRUTH.

In June of I did it "His Way" 1980, I came to the United States of America with a strong desire to find the truth about God the creator of all things. It was not I did it "His Way" as though I could not find God in India because God is everywhere and fills the universe with His presence I did it "His Way" and glory; but this was not enough for me. I wanted to know Him personally, if it were possible.

"And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth."
(Revelation I did it "His Way" 19:6)

I was on an extraordinary journey when God led me to the United I did it "His Way" States of

America. I thought it was where I had chosen to go, but time proved me wrong. I came to understand that God had more to do with this decision than I realized. It was "His Way" of changing my thoughts and life.

America is a country that offers freedom of religion, a fusion of multi-cultural people, with liberties and protection to those who desire to exercise religious rights without the fear of persecution. I began taking leaps over unsettled waters in this country as God began to direct me. It was as though He was laying steppingstones to guide me. These "stones" were what set the foundation for a long and tumultuous journey leading to revelation where there would be no turning back. The reward would be worth living by His Ways, at every turn and test of my faith.

"I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as be perfect, be thus minded: and if in any thing ye be otherwise minded, God shall reveal even this unto you. Nevertheless, whereto we have already attained, let us walk by the same rule, let us mind the same thing." (Philippians 3:14-16)

When I arrived in California, I did not see many Eastern Indians during this time. I adjusted to life in America and focused on what I was here for. I was searching for the Living God of I did it "His Way" the Bible, the God of the apostles John, Peter and Paul and others who carried the cross and followed Jesus.

I ventured to find the God of the New Testament who did many marvelous miracles, signs and wonders according to the Holy Bible, the Word of the Living God. Could I be so presumptuous to even think that he really knew me? There had to be more to God. I began visiting many churches of various denominations within the Los Angeles area, a metropolis located in Southern California. I later moved to a city east of Los Angeles called West Covina and began visiting churches in that area as well. I came from a very religious country with probably more gods known to man than any other country in the world. I always believed in one God, the Creator. My heart sought to know him in a personal way. I thought, surely He does exist and He will be able to find me because of my passionate desire to know him personally. I sought relentlessly and read the Bible consistently but something was always missing. I obtained employment at the United States Postal Office in August 1981 where I began asking my co-workers questions about God. I also began listening to Christian radio where I heard different preachers discussing biblical topics and yet never agreeing even among themselves. I thought, surely this could not be a God of confusion? There had to be a truthful answer to this religious quandary. I knew I had to search the Holy Scriptures and continue to pray. Many Christian coworkers also spoke to me and shared their testimony. I was surprised that they knew so much about The Lord. I did I did it "His Way" not know then that God had already set a I did it "His Way" time for me to receive the revelation Of His marvelous truth

My brother was afflicted with demonic possession and needed a miracle. I was compelled to look for Bible-believing Christians who believed in miracles and deliverance from these demonic forces. Without mercy, these demonic spirits were tormenting my brother's mind. My family was extremely concerned about him; we had no alternative but to take him to a psychiatrist. I knew it was the I did it "His Way" devil's pleasure to torment and destroy my brother. This was the spiritual warfare as spoken in the Bible. In desperation we took my brother to the psychiatrist.

After having assessed him, she asked us if we believed in Jesus. We said "yes that we did" then she began to write down addresses to two churches with their telephone numbers and handed them to me. Once at home, I placed both papers with the information on my dresser with the intention of calling both pastors. I prayed that God would lead me to the right church and pastor. I heard of some very negative things concerning churches in America, so this made me very cautious. The Lord uses prophets, teachers and preachers to lead those who love him to all truth. The Lord became my Lamp and Light that brightened my darkness. God would surely lead my brother out of his darkness too. I truly believed that God would find me in what seemed like an endless sea of darkness; because this was a very dark and difficult time for my family.

"Thy word is a lamp unto my feet, and a light unto my path." (Psalms 119:105)

"Prayer and Fasting:"

I placed both the addresses on my dresser. I called both pastors and had a communication with both of them. Simultaneously, I was praying for the direction from the Lord for the pastor to which I could continue my conversation. During this time I realized that one number from the dresser disappeared. I carefully searched for it but could not find it. Now only one number was available for me. I called that number and spoke to the pastor of the church located in, California just 10 minutes from my home. I took my brother to this church thinking my brother will be free today but it did not happen that way. My brother was not completely delivered that day. So the pastor offered us a Bible study. We took him up on his offer and also began attending his church with no intention of becoming a member, but only a visitor. Little did I know that this would be the turning point of my life. At this time, I was against the Pentecostal way and their belief of speaking in tongues.

The saints of the church were very sincere in their "His Way" beliefs. They worshipped freely and obeyed "His Way" the pastor when he called for a fast because the spiritual forces that controlled my brother would only come out, as the Word of God says, "by prayer and fasting. Once, the disciples of Jesus could not cast out a demon. Jesus told them it was because of their unbelief and said that nothing shall be impossible to them.

"Howbeit this kind goeth not out but by prayer and fasting." (Matthew 17:21)

We all fasted a few days at a time on several occasions, and I could see that my brother was getting much better. We continued having Bible studies in my home with the pastor, understanding everything that he taught us; however, when he began to explain water Baptism, I was bothered by his interpretation. I had never heard of the baptism in the name of "Jesus", although he clearly showed us the scriptures. It was written there "His Way" but I did not see it. Maybe, my understanding had been blinded.

After the pastor left, I turned to my brother George saying, *"Did you notice that all preachers using the same Bible come up with different ideas? I really don't believe what these preachers are saying anymore."* My brother turned to me saying, *"He is right!"* I became very upset with my brother and asked him, *"So you're going to believe this pastor's teaching? I do not believe this."* He looked at me again and said, *"He is telling the truth."* I responded again, *"You believe all preachers but not me!"* Again my brother insisted, *"He is right."* This time I could see that my brother's face was very serious. I later took the Bible and began studying the Book of Acts where the history of the early church was. I studied and studied; I still could not see why, God had His Way. Do you believe that God deals with each person differently? Here I was searching

for God through every source and media. During this time I heard God speaking to my heart, "You need to be baptized." I heard His command and hid these words in my heart unknown to anyone else.

The day came when the Pastor walked up to me and asked me a question, "So now, are you ready to be baptized?" I looked at I did it "His Way" him with surprise never having anyone ask me this question before. He told me that the Lord Jesus had spoken to him about my baptism, so I said, "Yes, I am". I was amazed that God would speak to the Pastor about this matter. I left the church thinking, "I hope God isn't telling this him everything since our thoughts are not always righteous or even appropriate."

Baptism for the Remission of Sin

The day of my baptism arrived. I asked the pastor to make sure he baptized me in the name of the Father, of the Son and of the Holy Ghost. The pastor kept telling me,
