
INSTITUTIONAL BARRIERS TO SUSTAINABLE TRANSPORT

Transport and Mobility Series

Series Editors: Richard Knowles, University of Salford, UK and Markus Hesse, Université du Luxembourg and on behalf of the Royal Geographical Society (with the Institute of British Geographers) Transport Geography Research Group (TGRG).

The inception of this series marks a major resurgence of geographical research into Institutional Barriers to Sustainable Transport (Transport and Mobility) transport and mobility. Reflecting the dynamic relationships between socio-spatial behaviour and change, it acts as a forum for cutting-edge research into transport Institutional Barriers to Sustainable Transport (Transport and Mobility) Institutional Barriers to Sustainable Transport (Transport and Mobility) and mobility, and for innovative and decisive debates on the formulation and repercussions of transport policy making.
