## ***Jenna's Eternal Lover***

**Jeanne Savery**

### **Chapter One**

Sarah went into the arms of her husband, tears threatening. "She's failing, isn't Jenna's Eternal Lover: 5 (The Ghost and Romance Series) she?" They visited with Jenna immediately after arriving for Lady Mary's Christmas house party but managed to reach their room before Sarah fell apart.

"Hush, love." Terrance's arms tightened and he rocked her back and forth. His own eyes were overly moist.

"But she is and it's all my fault."

"So it was his father's fault."

Sarah sighed. She was silent for a long moment. "Jenna would say we are not to place blame, would she not? She has forgiven everything and everyone. She would say we must too."

“Sarah, Sarah!” The chuckle surfaced and his Jenna's Eternal Lover: 5 (The Ghost and Romance Series) expression begged his wife to see the humor in the *style* of Jenna's Eternal Lover: 5 (The Ghost and Romance Series) their discussion if there was none in the *topic*.

After a moment Sarah smiled a weak smile. “You would say I’m absurd?”

“I would.” After a moment he sobered. “But speaking of forgiveness, she is right to say we must do so. To hold a grudge takes a great deal of energy which could be used in much more agreeable ways.” He caught her gaze and wagged his brows up and down in an attempt to change the paths of her thinking.

“Perhaps.” Sarah ignored his exaggerated leer and was silent for another long moment. “But Terrance, if she hadn’t had to suffer that way, wouldn’t she still be well? Have the strength to recover and...and not...not...”

“Not die?” he spoke the unspeakable for her. “My love, she recovered very well from the amputation. That was several years ago. You know she recovered.”

“Then why...”

“She is not so very old but she isn’t young and I think perhaps that collapse she suffered after his lordship died weakened her. Jenna would tell you she is tired. Very, very tired. Then too, she misses Lord Everston.”

“But...”

“But you don’t want Jenna's Eternal Lover: 5 (The Ghost and Romance Series) her to die? You want her to remain with us, too tired to enjoy life, unable to get around and do the

"She...wants to die." It was not a question.

"She wants to join Jenna's Eternal Lover: 5 (The Ghost and Romance Series) the late Lord Everston and once again be with the great love of her life."

"Be with her ghostly lover. Forever and ever."

"For eternity," said Terrance softly.

Once again Sarah was silent. It went on so long Jenna's Eternal Lover: 5 (The Ghost and Romance Series) that Terrance shifted his grip and held her so he could see her face. "Sarah?"

"I still think it was my fault," she grumbled.

This time he laughed aloud and, after a moment Sarah joined him.

"I know," she said, smiling ruefully. "I am not rational. I guess," she finished on a sigh, "I'm as selfish in my way as poor Mud is in his. I don't want to lose her." Again tears threatened. "This is her last Christmas with us, isn't it?"

"I fear it is, Sarah," he Jenna's Eternal Lover: 5 (The Ghost and Romance Series) said, sobering. He held her close when she once again pressed against him, seeking comfort in his arms.
