Forty minutes ago they had all gotten into the heavily armored presidential limousine known as The Beast. President Walker had assumed it was going to be an ordinary ride through downtown DC to visit the national Museum of Archaeology.

He had never been more wrong his entire life!

The ride had quickly morphed into something else entirely. Barely out of the White House courtyard, his step-daughters had started stripping for him. He had been so taken by surprise that before he knew it he was happily acquiescing to anything and everything his girls suggested.

One thing had led to the next and now, they were all sitting trying to relax after the president's first fuck of Asher. They had agreed that the one girl not being fucked at any given moment, was to use the time and take a video of the action. History was being made, and it had to be on film!

*Yes, it definitely had to be Jennifer's idea*, thought Bill Walker. It made so much sense given her naturally dominant streak, he decided. She loved telling her young girls what to do. Often Jennifer's demeanor around them boarded on the virtually austere. Bill would have called her out and made her stop had it not been for the simple fact that to his astonishment his two step-daughters appeared to enjoy being ordered about by their mother. Apparently, the two girls had naturally morphed into submissives around their mother.

It had never crossed Bill's mind *Losing It With the President (A Man of the White House Erotic Romance Book 3)* however that his wife might suggest forming a menage with his stepdaughters. The more he thought about it, the more he realized that he was still in shock and a lot of awe at his wife's panache.

Shelley's small hands cupped his balls, and she whimpered with a mewling *Losing It With the President (A Man of the White House Erotic Romance Book 3)* little sound in her throat as she gently massaged him. His testicles looked so big in her tiny palms. She studied them with genuine fascination.

"They're so big, daddy," Shelley whispered. He heard anxiety course through her voice

making it shake. It made him want to reassure her.

"That's okay I'll be gentle," he said. Bill was smitten with the smallness of everything about his younger daughter. She had only recently Losing It With the President (A Man of the White House Erotic Romance Book 3) had her eighteenth birthday. Her twenty-year-old sister Asher had waited Losing It With the President (A Man of the White House Erotic Romance Book 3) until just minutes ago to lose her virginity because the girls had made a pact that their step-daddy, President Bill Walker was going to be their first lover. Their mom had been all for it, and the more Bill thought about Jennifer, the more he came to the conclusion that his wife might have been the real source of the naughty idea. The two girls had apparently made up their mind a couple of years ago to wait until Shelley's eighteenth birthday. And then just this morning, they had made him an offer that he could not possibly refuse.

"But daddy, I am not sure I can take you all the way in and make you happy the way Asher did," Shelley bleated miserably still stroking his cock to life with her tiny hand.

"Of course you can honey. Why wouldn't you be able to? But it's, of course, up Losing It With the President (A Man of the White House Erotic Romance Book 3) to you, sweetie. I don't want to make you do anything you don't feel like doing," Bill said.

"It's nothing like that, daddy. I really want to take you in me and make you Losing It With the President (A Man of the White House Erotic Romance Book 3) happy. You have no idea how sad I will be if this doesn't happen today." Tears appeared in Shelley's eyes.

Soon they started pouring down her cheeks, and the sight of his sweet little step-daughter in distress made his dick even harder, and his balls twitch in her small hand. He was just Losing It With the President (A Man of the White House Erotic Romance Book 3) about to pinch her hard nipples when he caught himself and scooped her up to hug tightly. Even though it made the president extraordinarily horny, the sight of his little step daughter's tears simply made him want to cuddle her and make her feel better if he could.

"Tell me, sweetie, what's the problem. Are you afraid I'll hurt you? Don't be," he said in a deeply reassuring voice. "I will be as gentle as you want me to."

"I know that, daddy. I know you love me, and I know you'll be super careful down there," Shelley pointed to her crotch. "But mom and I –," she suddenly looked up having realized the importance of her slip up.

"Aha! So I was right, it was your mother's idea all along!"
