He could not stop looking. She bent over the table, studying the plans for the Matthew's job and pointing her butt in his direction. His traitorous body twitched in response, straining toward her like the needle of a compass seeking north. By now, he was pretty sure she teased him on purpose. She always used the conference table across from his office, putting herself right in front of his door. He could sit behind his desk and watch the smooth black cloth of her skirt stretch tight across her perfect, round, twenty-two-year-old bottom.

Christ. He was old enough to be her father.

That didn't stop him from watching her. Her skirts always seemed shorter on Friday. Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) He let his gaze wander from the four-inch black stilettos up her smooth shapely legs to the hem of her skirt. She leaned over farther, her hem shifted, and he caught a glimpse of lace at the top of her thigh. She was wearing stockings. Holy God.

He tried to force his attention back to the file on his desk. He even chanted "I'm a married spud. I'm a married spud," from his kids Toy Story movie. It didn't work. He had to look. She probably had a thong on under that skirt. A woman who wore stockings was bound to wear a thong. It had been so long since he'd seen his wife in any kind of underwear and almost never in something sexy.

He watched the lace tops of Olivia's stockings and let himself imagine what it would be like to take her right there on the conference table. Just push up her short skirt, slide Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) her thong aside and sink into the hot, slick heat of her.

He shifted uncomfortably, trying to make room in his suddenly too tight pants. God, something had to change. He had to stop watching or he'd Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) end up in the bathroom, jacking off like a horny teenager.

Before he could tear his eyes away, Olivia looked over her shoulder at Love Unlocked,

Uncovered and Unwrapped (Forbidden Fruit Box Set) him. He froze as she twisted her body and rocked back Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) on her impossibly high heels.

“Do you need something, Jack?” She practically purred the words, letting her breath out on his name.

Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set)

Jack ate lunch at his desk, trying to catch up on the work he hadn't gotten done that morning. Christine packed his lunch when she packed the kids' lunches. She did it almost every day, but he only ate it about half the time. He'd rather eat lunch with his co-workers sometimes, get out of the office for a while. Christine prepared his meals faithfully, somehow thinking it was part of her job as his wife. On days he ate out, he threw away the food she made and pretended he ate it. He didn't want to hurt her feelings, but he wished she put half the energy she spent feeding him into loving him physically.

They hardly ever had sex anymore and when they did, it was quick, furtive and in the dark. He didn't want to break his wedding vows. Hell, he was still attracted to his wife. He loved her and the kids, but he was tired of feeling like a dirty old man, watching internet porn and jacking off in the shower. Something had to change. He was only forty-four. He didn't wanted to go on like this, feeling like he was just a paycheck, like provider was his only role. He was a man, damn it. And not a bad looking one. His hair grayed at the temples, but he still had all of it. He wasn't as fit as he had been, but he played basketball most weekends. His paunch was minimal. He wished Christine appreciated that as much as she did the house and his job.

He crumpled his sandwich wrapper and shot it at the trashcan. When he turned back, Olivia Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) stood in his doorway, smiling at him.

“It's snowing,” she said, sounding even younger than she was.

Jack spun his chair to look out the window and saw big white flakes falling from the sky.

“So it is.” He grinned at her, caught up in her enthusiasm.

She stepped into the office and perched on the corner of his desk, watching the snow out the window. She was so close; all he had to do was lift his hand and he could touch her. He knew she wouldn't pull away, wouldn't turn from him. He closed his eyes for a moment and breathed in the spicy scent of her perfume. When he opened his eyes, her hazel ones stared back at him. She leaned toward him, and the curtain of her long chestnut hair sent another wave of her scent to him.

---

“A bunch of us are leaving early for the day.” She shifted, settling herself more firmly on his Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) desk. Jack Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) fought the urge to look down to see if the lace from her stockings was showing and kept his gaze on her face. “Listen, I know it’s a little out of your way, but Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) I wondered if you could give me a lift home. I don’t trust my car in the snow.”

She smiled at him expectantly, and he knew if he said yes, it would be to much more than driving her home. He took a deep breath and decided, exhaling into the charged silence.

“Yeah. Sure, give me a minute to finish up here.”

Olivia caught her bottom lip between her teeth, and the look she gave him had his body jumping to attention again. She straightened her legs, stretched like a satisfied cat and hopped off his desk.

“Come get me when you’re ready,” she said over her shoulder.

Jack watched her hips sway as she walked Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) out of his office.

~~~~~

It was just the two of them in the elevator. When the door slid closed, Olivia reached down and caught Jack’s hand, smiling when he didn’t pull away.

He should kiss her. He thought about it. Pushing her up against the wall and claiming her with his mouth. He imagined drinking her in, their tongues tangling together, his hands cupping her butt and hauling her against his hard length. She’d Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) meet him. He knew she would. A woman like Olivia wouldn’t just lay still Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) and take it. She’d meet him thrust for thrust.

But he couldn’t make himself cross the line. Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) Yet. When the elevator doors opened, he settled for putting his hand on the small of her back. He slid his fingers under her short coat and felt the warmth of her skin through her silk blouse.

He opened the passenger door of his SUV and helped Olivia inside. The snow Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) fell faster, but Jack wasn’t worried. He put the truck into four wheel drive and turned on the wipers to clean to windshield. The roads were wet, but the snow hadn’t started to stick.

---

“I live in the new apartment complex over on Berkshire.” Olivia shifted in her seat to face him. She’d unfastened the buttons on her coat, and when she leaned toward him, the red silk of her blouse dipped, giving him a glimpse of the creamy white tops of her breasts and the black lace of her bra. “I really appreciate this.” She laid her hand on his thigh and stroked, her fingertips brushing against his erection which was straining his slacks again. He had to get a hold of himself or he was going to go off like a rocket. “I’m glad you Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) decided to take me home.” She licked her lips and the breath caught in his throat.

The car came out of nowhere, sliding across both lanes of traffic. Jack stomped on the brake. He threw his arm out to try to protect his passenger. For one heart stopping moment, the SUV skidded and screeched. Jack saw his wife and kids, their home, everything that was important to him. When the SUV shuddered to a stop, he let out a shaky breath and looked over to make sure the woman sitting next to him was okay. All at once he was struck with the knowledge that she Love Unlocked, Uncovered and Unwrapped (Forbidden Fruit Box Set) was the wrong woman.
