The Big Feisty Bride tamed by Her Scarred Banker

*I actually really enjoyed this book and I'm very interested in the fact that it's the first in a series. The author did a great job of making the characters relatable. The story itself shone, especially because it was romantic and sweet, and also a clean romance. The other thing I liked was that it wasn't predictable, which made the Mail Order Bride: The Crippled Bride and The Ambitious Miner (Mail Order Brides of Western Romance Book 1) story an enjoyable read.* ~ **Cassandra**

ADELINE - The Strong-willed Bride for Her Lonely Farmer

*This was an entertaining short story for a sunny afternoon. Mail Order Bride: The Crippled Bride and The Ambitious Miner (Mail Order Brides of Western Romance Book 1) Adeline is a little more strong willed than what makes a really likable character for me, but James is a keeper. All in all Addie and James' story encourages me to move on to Amelia's story (2) and then Averil's (3), too when it's completed at the end of this month.* ~ **Mail Order Bride: The Crippled Bride and The Ambitious Miner (Mail Order Brides of Western Romance Book 1) J. Ashamed, Beaten & Saved by Her Burned Hero

*This the second Mail Order Bride: The Crippled Bride and The Ambitious Miner (Mail Order Brides of Western Romance Book 1) story of the series was as good as the first, now I am looking forward to reading the last story of the series. ~ Jilm*
