Introduction

Through out history single women, when dealing with men, have all uttered the same phrases:

WHAT was I thinking going out with him?

Are you Kidding me?

And the always popular: Oh My God?

But the one question they always ask themselves is:

Is there a somebody out there for me?

Everybody wants to find that special someone, their soul mate, somebody to love and share their lives with. It was as true for women at the dawn of time as it is today.

There are some women who seem to find their Mister Right, right away and will spend their entire On The Path To Finding Mister Right life with them. Like a couple I know, who met in their 20's and were still together 75 years later, celebrating their anniversary. And after 75 years of being married, they were still in love with each other.

But unfortunately there are women that will go their entire lives without finding their Mister Right. They either don't know where to look or don't know how to attract that special someone.

So what kind of things do you need to know and where do you start looking for Mister Right?

Examining The Past

This falls under the heading of “ If we don’t know it”’s broke, how can we fix it?”

If you can, examine your past relationships objectively. This is tough because most people have a hard time facing the truth On The Path To Finding Mister Right about themselves. They like to think that past mistakes in relationships are the other persons fault. We have all met people like that. They’re the ones who can’t admit they have any bad habits at all.

By examining the past, you can identify any bad relationship habits you may have picked up and start eliminating them, one by one. Bad relationship habits like being clingy or coming off as to demanding, habits like these will diminish your chances of attracting the right person. This information will also help you after you find Mister Right by being able to catch any bad behavior before On The Path To Finding Mister Right it has a chance to start.

We are all creatures of habit. It is easy fall back into what we are used to doing because we On The Path To Finding Mister Right find On The Path To Finding Mister Right it comfortable. We know that if we do something a certain way, we have a good idea of what the out come will be. That is one of the reasons that your past relationships failed. You always seem to go out with the same type of guy. Same type of guy, same result. Same bad relationship habit, same result.

You see chances are that you’ve already had a version of Mister On The Path To Finding Mister Right Right in your life already and didn’t know it. Maybe he was that great guy On The Path To Finding Mister Right that you used to do everything with but you wanted to concentrate on school or your career. How about that guy that hung around you, who you knew wanted to go out with you but for what ever reason, you didn’t want to so you said “It wouldn’t feel right, your like a brother to me.”

Or how about the nice guy you dumped so you could go out with the “Bad Boy”? The one who

On The Path To Finding Mister Right used you and then dumped you like yesterdays trash.
