Introduction – Every Master was Once a Disaster

I have no idea if you and I have ever met, but no matter how you arrived at this moment or where you want to go from here, I can tell – by virtue of the fact you are reading this – Personal Goal Setting: Discover 8 Insider Secrets to Create Massive Success Personally and Professionally that you are planning on achieving success and are ready to take action to get there!

I started off in my sales career with absolutely zero experience. I made many mistakes along the way, and I began to ask myself, *“How can I achieve my goals?”* In my quest for answers, I started attending numerous personal development and business seminars.

When attending those seminars, I ran Personal Goal Setting: Discover 8 Insider Secrets to Create Massive Success Personally and Professionally into a variety of people and it was quite clear that some of them would never be successful, no matter how specific the gurus laid out the strategies for them. How could I tell? It was all in the way they spoke and their body language.

A lot of people play the ‘Blame Game.’ They will blame the economy, the stock market, business partners, a guru's strategies, or the government for their lack of success. **They are**

focused on the wrong thing We have to take 100% responsibility for where we are right now; otherwise we will never be able to move forward. For instance, if an overweight person starts a Personal Goal Setting: Discover 8 Insider Secrets to Create Massive Success Personally and Professionally weight loss program given to them by a fitness guru and doesn't stick to the exact step-by-step program, they often blame the diet for not working, instead of blaming themselves.
