ACKNOWLEDGMENTS

Many thanks go to my editor Kate Seaver and all those at Berkley who helped make *Pride*

Mates again available for readers.

Special thanks go to Theresa A. and Kerrie D., two defense attorneys extraordinaire who answered my many questions in minute detail. They helped me understand how a defense attorney spends her days and what kinds of challenges a female in the field might experience. I am extremely grateful to them for their time and knowledge; any errors in the book are mine. Also many thanks to my editor Leah, who once again didn't flinch when I presented her with my idea for a brand-new world. Working with her is always the greatest pleasure.
