# ***Recipes and Home Style Cooking***

***By Norma J. Brockus***

**I consider a Recipes and Home Style Cooking recipe only a suggestion, the cooking is all heart and soul. It is kind of like someone can give you directions to a place but you drive the car. You can follow their directions or go a different route. It is the same way with cooking. You decide how much of what you put in the pot. If there is an ingredient you do not like, leave it out, if you want to add something add it. Put a little or a whole Recipes and Home Style Cooking lot of salt, it is up to you, the cook. I will do my best to share how I prepare each recipe. I believe the kitchen is the heartbeat of a home and this book is to encourage family cooking and gathering around the kitchen table. The memories of our family sitting around the kitchen table sharing our day and stories are dear to my heart.**
